

THE TREE COURSE

Nature-inspired architecture to create unforgettable experiences.

The Tree Course is the latest Walltopia ropes course developed to meet the need for a design that is memorable and attractive without losing the focus on ease of operation and efficiency in footprint and materials used.

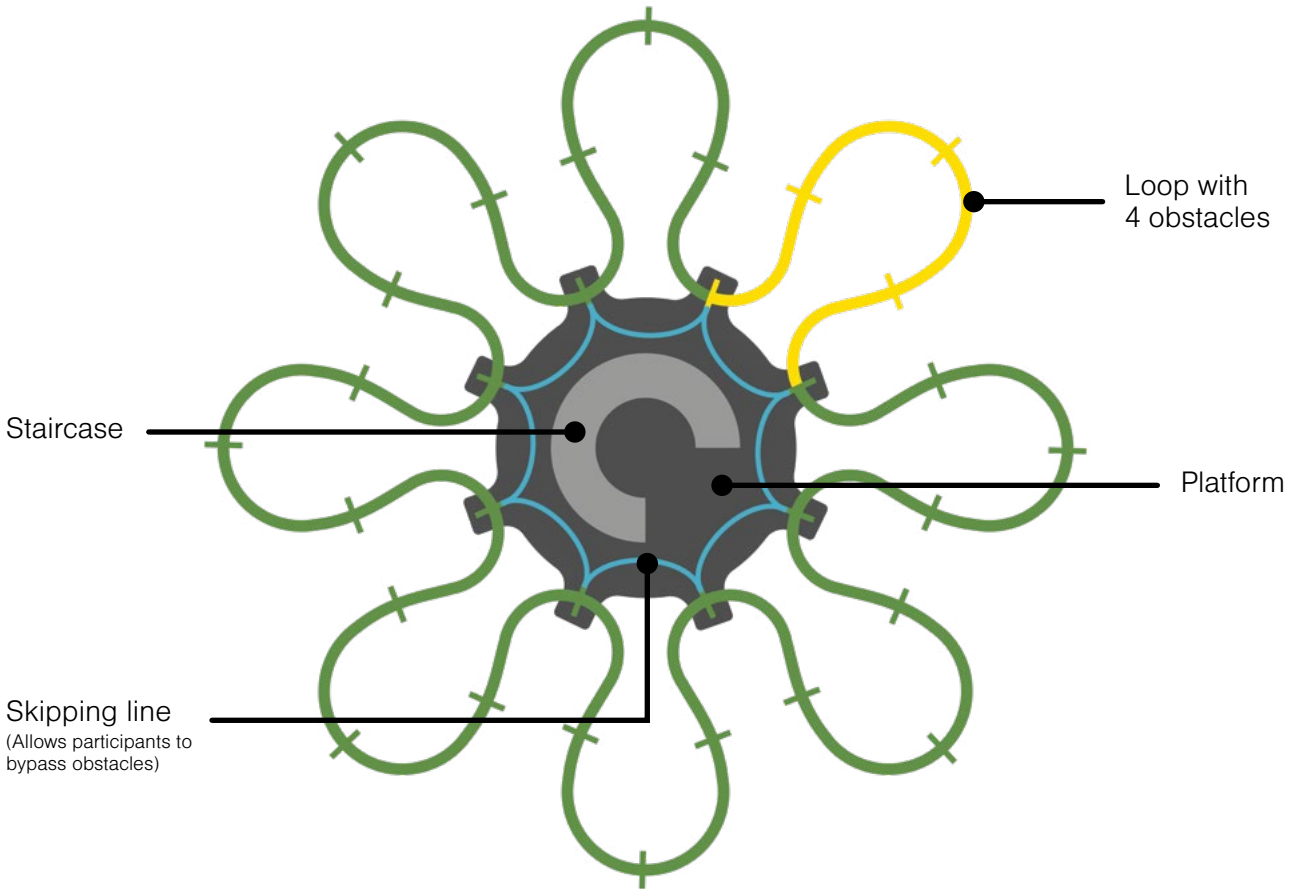

[WATCH THE ANIMATION](#)

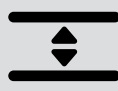

- Futuristic design that makes it the anchor attraction wherever it gets placed
- Innovative single or multilevel course layout to achieve high throughput
- Theming possibilities to better fit in an already existing venue
- Accommodates add-ons such as the Rollglider & QuickFlight
- Viewing deck to increase the capacity
